4. American Association of University Women Internship

- <http://www.aauw.org/about/career/aauwjobs.cfm>

- Description: AAUW's Leadership Programs seeks multiple full-time or part-time interns for the Fall/Winter of 2011 and Spring/Summer of 2012. The American Association of University Women (AAUW) is a national membership organization, founded in 1881. Our mission is to promote equity for all women and girls, lifelong education, and positive societal change. A minimum of 20 hours per week is strongly desired, and preference will be given to interns available on a full-time basis. Interns receive an hourly wage of \$8.25.

5. American Institute on Chemical Engineers Internships

- <http://www.aiche.org/Students/Careers/internships.aspx>

- Description: Expand your work experience and knowledge through a hands-on AIChE student internship with reputable companies.

6. American Psychological Association Minority Fellowship Program

- <http://www.apa.org/pi/mfp/about/index.aspx>

- Description: The principal aim of the MFP is to provide financial support, professional development activities, and guidance to promising doctoral students and postdoctoral trainees with the goal of moving them toward high achievement in areas related to ethnic minority behavioral health research or services.

7. APA Psychology Internship

- <http://www.apa.org/pi/oema/about/internship.pdf>

- Description: The purpose of the Psychology Internship with the APA's Office of Ethnic Minority Affairs (OEMA) is to offer applied experiences to enhance the knowledge of undergraduate and graduate students with a major or minor in psychology.

8. American Society for Microbiology Fellowships

- <http://www.asm.org/index.php/awards-grants/fellowships.html>

- Description: Students, postdoctoral fellows, and early and mid-career scientists are eligible for fellowships to conduct research and participate in activities that encourage professional growth in a new area. [Funds](#) may be available for stipends, housing, [travel](#), and ASM membership.

9. Anti-Hunger Internship with Hunger Action Network of New York State

- <http://www.internships.com/posting/anti-hunger-internship>

- Description: Hunger Action Network is looking for individuals to assist us in our mission to end hunger and poverty in NYS. We are seeking interns for two target areas: our community food program and our public policy program.

10. Antitrust Internship with the US Department of Justice

- <http://www.justice.gov/atr/contact/jobs-attorneys.html>

- Description: The mission of the Antitrust Division is to promote and protect the competitive process — and the American economy — through the enforcement of the antitrust laws. The key to accomplishing this mission is the Division's outstanding staff.

11. Arctic Studies Center Internship

- http://www.mnh.si.edu/arctic/html/about_internship.html

- Description: The Arctic Studies Center (National Museum of Natural History) announces internship and [volunteer opportunities](#) for students, artists, museum staff and community scholars. These programs are offered in both Anchorage, [Alaska](#) and in Washington, D.C. All are offered by competitive application.

12. Asian American Journalist Association Internships

- <http://www.aaaja.org/programs/internships/>

- Description: Journalism Internship Grants and Media Internships offer opportunities for students to receive funding for valuable journalism experience. AAJA Internships provide opportunities and [grants](#) to students pursuing journalism careers. AAJA currently offers the Stanford Chen Internship Grant, New Media Internship Grant and AAJA Internship Grant for Print, Online, or Broadcast interns who have already secured an internship and need additional support. AAJA and its partners also provide openings for AAJA applicants in several internship programs.

13. AT&T Summer Internships and Fellowship

- http://www.research.att.com/evergreen/working_with_us/internships.html?fbid=pdKRvYWQizu

- Description: As part of a long-standing commitment to higher education in science and technology, AT&T Labs offers two programs to graduate students: summer internships and three-year (ALFP) fellowships.

14. Barbara Jordan Health Policy Congressional Internships

- <http://www.kff.org/minorityhealth/bjscholars/index.cfm>

- Description: The Barbara Jordan Health Policy Scholars Program brings talented [college seniors](#) and recent graduates to Washington, D.C., where they are placed in congressional offices and learn about health policy issues, with a focus on issues affecting racial and ethnic minority and underserved communities. Through the eleven-week program (May 23, 2011 through August 6, 2011), Scholars gain knowledge about federal legislative procedure and health policy issues, while further developing their critical thinking and [leadership](#) skills. In addition to gaining experience in a congressional office, Scholars participate in seminars and site visits to augment their knowledge of health care issues, and write and present a health policy research memo that addresses a problem of concern to disadvantaged populations.

15. Biomedical Research Internship with National Institutes of Health

- <https://www.training.nih.gov/programs/sip>

- Description: Summer programs at the National Institutes of Health (NIH) provide an opportunity to spend a summer working at the NIH side-by-side with some of the leading scientists in the world, in an environment devoted exclusively to biomedical research. The NIH consists of the 240-bed Mark O. Hatfield Clinical Research Center and more than

1200 laboratories/research projects located on the main campus in Bethesda, MD and the surrounding area as well as in Baltimore and Frederick, MD; Research Triangle Park, NC; Phoenix, AZ; Hamilton, MT; Framingham, MA; and Detroit, MI.

16. Borgen Project Internship

- <http://www.nonprofitcareermonth.org/if/i/en/av/Org/104948-158>

- Description: The Borgen Project is like nothing previously created. The Borgen Project is a strategic campaign working to make global poverty a U.S. foreign policy priority. The Borgen Project builds support in [congress](#) for legislation that improves living conditions for people who are barely surviving. The [organization](#) is known for being tech savvy, nonpartisan and having access to political [leaders](#) on a national level.

17. Capitol Hill Internships

- <http://corporate.cqrollcall.com/wmspage.cfm?parm1=57>

- Description: INTERNS – Internships are an excellent opportunity to gain Capitol Hill experience. If you are interested in a position as an intern for a member of Congress, submit your resume to the House Action Reports intern file. House Action Reports will keep resumes on file for approximately two months and make them available to offices upon request. Date your resume and send it to Job Referral No. "Intern."

18. Careers with Department of Interior Internship

- <http://www.doi.gov/whatwedo/youth/Student-Internship-Opportunities.cfm>

- Description: The Department of the Interior offers internship [opportunities](#) in its eight bureaus, the Office of the Secretary and DOI [University](#).

19. Census Bureau Internships

- http://www.census.gov/hrd/www/jobs/stu_temp.html

- Description: The mission of the US Census Bureau is to serve as the leading source of quality data about the nation's people and economy. Internships available.

20. Center for Green Schools Student Programs Internship

- <http://www.usgbc.org/DisplayPage.aspx?CMSPageID=63#CntrGrnSchls>

- Description: Interns for the USGBC Center for Green Schools Students Program will work as integral leaders of USGBC Students with an ability to participate in the development, implementation, management and growth of the program nationally.

21. Coca-Cola Corporate Internship

- <http://www.thecoca-colacompany.com/careers/internships.html>

- Description: [Graduate](#) and undergraduate interns at The Coca-Cola Company are presented with challenging and rewarding projects and assignments. They gain real world experience, exposure to The Coca-Cola Company operations, and have the opportunity to participate as a member of the workforce of the world's most recognized brand.

22. College Intern Program at the Federal Law Enforcement Training Center

- <http://www.fletc.gov/student-information/college-intern-program/?searchterm=internship>

- Description: The FLETC College Intern program provides a unique opportunity for college students majoring in [Criminal Justice](#), [Criminology](#), or a related field of study from across the country, to participate in a Federal Law Enforcement training environment. Each year, three intern sessions lasting twelve (12) weeks, are conducted at the FLETC, exposing selected interns to world-class training, broadening their horizons and helping to develop a foundation for a career in federal law enforcement.

23. Congressional Black Caucus Foundation, Inc. Internships

- <http://cbcfinc.org/programs/leadership-development.html>

- Description: The [Leadership Institute](#) for Public Service prepares the next generation to take its place in community service and policy development arenas. The Leadership Institute's primary goal is to increase the pool of black leaders in community-based programs and public service careers. The Leadership Institute offers numerous educational and [leadership development](#) programs for individuals ranging from junior high school students through young adults (generally ages 40 and under). Participants are provided with [opportunities](#) to learn the inner workings of Congress, explore public service and public policy careers, discuss current events and policy initiatives and see close up leadership at its very best by working with and learning from Congressional Black Caucus members.

24. Cybercrime Internship with the National Cyber-Forensics and Training Alliance

- <http://www.ncfta.net/ncfta-career-center/ncfta-internships/ncfta-student-internship>

- Description: During a 12 week, unpaid internship, the student will have the opportunity to work on various initiative based teams that work on Brand Identity Fraud, [Credit Card](#) Fraud, Pharmaceutical Fraud, Investment/Securities Fraud, Phishing, and/or Malicious Software. Generally, duties could involve assisting in analysis and reporting of data collected from a variety of sources to produce open source intelligence reports, incident briefs on various cyber criminal activities, and threat assessments on organized cyber-criminal groups.

25. Dateline NBC Student Broadcast Internship

- http://www.msnbc.msn.com/id/3946995/ns/dateline_nbc/t/join-our-team/

- Description: Some of the intern daily responsibilities include logging tapes, dubbing tapes, preliminary research on assigned topics, working closely with producers, aiding the production team in the control room and edit room as well as some clerical work; i.e., phones, mail, etc. when needed.

26. Defense Intelligence Agency Summer Internship

- <http://www.dia.mil/careers/students/>

- Description: DIA's Summer Intern Program provides promising undergraduate and graduate students the opportunity to gain practical work experience in the areas of analysis, research, report writing, oral briefings, policy development, program management, and computer applications related to the intelligence field. Interns are appointed for a 10-week period from June through August, as full-time, temporary employees. All interns must be granted a security clearance and successfully pass a drug screening test prior to being made a final offer.

27. Design For the Environment Internship with the EPA

- <http://www.epa.gov/dfe/pubs/about/intern.htm>

- Description: A limited number of unpaid internships in the DFE program are available. Interns will assist staff with various policy and research aspects of our Safer Product Labeling Program and alternatives assessment projects. Applicants must have the resources to find housing and live in/commute to our office in Washington DC. The internship is available only to students who will be enrolled in a degree program at a University or College both before and after their internship.

28. Development Internship at Carnegie Hall

- <http://www.carnegiehall.org/Information/jobs/jobPost.aspx?id=4294970037>

- Description: Candidates considering a career in fundraising and/or arts administration are encouraged to apply. Must be able to commit to twenty hours per week. Applicants must have strong writing skills, computer literacy in Microsoft Word and Excel, and excellent communication and organization skills. A meal and transportation stipend is offered.

29. Development Intern with Genocide Intervention Network

- <http://www.genocideintervention.net/who-we-are/careers/internships>

- Description: Genocide Intervention Network (GI-NET) / Save Darfur Coalition (SDC) is changing the way the United States and the international community respond to the world's worst crime by empowering individuals and

communities with the tools to prevent and stop genocide. Internships are available for undergraduate, graduate students or recent graduates who are available for at least 20 to 40 hours per week for a duration of at least 2-3 months.

30. Dreamfish Development Internship

- <http://www.dreamfish.com/pg/pages/view/23404/>

- Description: Interns will join Dreamfish as members. They will work on an independent project and also work together on a team project - Dreamfish Community Technology Implementation. Building in Agile with user-centered design, Dreamfish extends open source social software to enable people globally to collaborate for economic empowerment and human development. On the team project, they will be mentored by a senior technologist with open source and social software background.

31. Employment Opportunities with the US Secret Service

- http://www.secretservice.gov/opportunities_interns.shtml

- Description: The Student Intern Program provides unpaid academic study-related work assignments that allow students to explore career options in addition to developing personal and professional skills. Working in Washington, D.C., or in various field offices located throughout the United States, can prepare students for a career with the United States Secret Service.

32. Environmental Change and Security Program Internship

- <http://www.wilsoncenter.org/opportunity/internships-the-environmental-change-security-program>

- Description: Potential interns should be students and recent graduates with an interest in, coursework related to, and/or experience working on environmental and human security.

33. External Affairs Internship with Baltimore National Aquarium

- <http://aqua.org/internships/index.html>

- Description: College internships at the National Aquarium provide hands-on and minds-on experiences that will be a vital part of your college career. An internship can easily double the value of a college education. College internship positions are available year-round in many departments throughout the Aquarium. Applying classroom knowledge, interns obtain valuable job experience and establish professional contacts. The Aquarium makes every effort to match interns to work that complements their studies, interests, and skills.

34. FBI Internships

- <http://www.fbijobs.gov/23.asp>

- Description: FBI strives to stay on the cutting edge of technology, instruction, and operations and seeks for qualified people to help further meet the diverse needs and goals.

35. Federal Student Aid Internships with the Department of Education

- <http://www2.ed.gov/students/prep/job/intern/index.html>

- Description: The Department has internships available for interested students throughout the school year. Internships provide students with an experience in government through real work responsibilities in a range of departments within the Department of Education (ED).

36. Henry J. Kiser Family Foundation Media Internships

- <http://www.kff.org/mediafellows/mediainternships.cfm>

- Description: The Media Internships Program provides an initial week-long briefing on health issues and health reporting in Washington, D.C. Interns are then based for ten weeks at their newspaper, online, or radio/TV station, typically under the direction of the Health or Metro Editor/News Director, where they report on health issues. The program ends with a 3-day meeting in Boston to hear critiques from senior journalists and to go on final site visits.

The aim is to provide young journalists or journalism college graduates with an in-depth introduction to and practical experience on the specialist health beat, with a particular focus on diverse and immigrant communities.

37. Historic Preservation Internship Training Program with the National Park Service

- http://www.nps.gov/hps/tps/hpit_p.htm

- Description: The Historic Preservation Internship Training Program gives undergraduate and graduate students opportunities to undertake short-term research and administrative projects with the National Park Service either during the summer or the school year. The Internship Training Program trains our future historians, archeologists, architects, curators, planners, and archivists by providing the opportunity to work under the direction of experienced professionals in the field of historic preservation.

38. Human Rights Watch Student Task Force Internship

- <http://hrwstf.org/about.html>

- Description: The Student Task Force (STF), launched in 1999, is fundamentally about students advocating for children's rights. It is a youth leadership-training program that brings together high school students from all over Los Angeles and empowers them to advocate for human rights issues that concern the rights of children.

39. INROADS Internship

- <http://www.inroads.org/students/whats-in-it-for-you>

- Description: There are three keys to success for INROADS students: Selection, Education & Training, and Performance. For over three decades, INROADS has helped businesses gain greater access to diverse talent through continuous leadership development of outstanding ethnically diverse students and placement of those students in internships at many of North America's top corporations, firms and organizations.

40. Institute on International Education Internship

- <http://www.iie.org/Careers/Internships>

- Description: If you are interested in interning at the Institute of International Education, please contact the appropriate office below. Please note that internships at IIE are posted as divisions request them. All internships are unpaid.

41. Internships with LEAP

- http://www.leap.org/empower_lia.html

- Description: Leadership in Action (LIA) is an eight-week paid summer internship program designed to develop emerging young leaders by providing college students with practical leadership skills and the opportunity to work hands-on in the Asian and Pacific Islander (API) community in Southern California.

42. Karman Fellowship Trust

- <http://www.dekarman.org/>

- Description: The Josephine De Kármán Fellowship Trust was established in 1954 by the late Dr. Theodore von Kármán, world renowned aeronautics expert and teacher and first director of the Guggenheim Aeronautical Laboratory at the California Institute of Technology, in memory of his sister, Josephine, who passed away in 1951. The purpose of this Fellowship program is to recognize and assist students whose scholastic achievements reflect Professor von Kármán's high standards.

43. NASA Texas Space Grant Consortium

- <http://www.tsgc.utexas.edu/>

- Description: The Texas Space Grant Consortium is a group of 47 institutions which include universities, industrial organizations, non-profit organizations, and government agencies within Texas that are joined to ensure that the benefits of space research and technology are available to all Texans. In a broader context, the National Space Grant Program, consisting of 52 Space Grant Consortia nationwide, cooperate to achieve this goal for all Americans.

44. NASA Internships

- <http://www.nasa.gov/audience/foreducators/postsecondary/programs/index.html>

- Description: Students and faculty may explore and experience unique space and aeronautics content through NASA's education opportunities for higher education.

45. National Women's Law Center Internships and Fellowships

- [http://www.nwlc.org/jobs-pro-bono-opportunities-fellowships-and-internships#\(Internships\)](http://www.nwlc.org/jobs-pro-bono-opportunities-fellowships-and-internships#(Internships))

- Description: For 35 years, the National Women's Law Center (NWLC) has expanded possibilities for women and girls in the United States. NWLC uses the law in all its forms to protect and advance the progress of women and girls at work, in school, and in virtually every aspect of their lives. NWLC takes on the issues that cut to the core of women's and girls' lives in education, employment, family economic security, and health, with special priority given to the needs of low-income women and their families.

46. Nuclear Energy Student and Post-doctoral Opportunities at Argonne Laboratory

- <http://students.ne.anl.gov/>

- Description: Argonne National Laboratory is a leading R&D center that is working on technologies to provide the clean, sustainable and affordable energy that will be needed for U.S. energy security and related economic competitiveness. We bring together the best minds in science, engineering, and modeling and simulation. We form teams to tackle complex scientific challenges, translating basic science into engineering solutions. We build and operate large, one-of-a-kind user facilities. We are at the forefront of energy research and development, and you can be part of it

47. Overseas Private Investment Corporation Internship

- <http://opic.gov/about/jobs/internship>

- Description: OPIC encourages U.S. overseas private investment in sound business projects, thereby improving U.S. global competitiveness, creating U.S. jobs and increasing U.S. exports. The projects that OPIC supports must not result in the loss of U.S. jobs and must provide significant benefits to the social and economic development of the host country. OPIC maintains a robust internship program, offering challenging opportunities to more than one hundred college students every year. Two categories of internships are available, each with their own distinct requirements and application process.

48. Partnership for Public Service Internships

- <http://www.ourpublicservice.org/OPS/programs/calltoserve/>

- Description: To accomplish these goals, we work with colleges and universities across the country to ensure that students are knowledgeable about opportunities in federal service. For more about what we do, see Information for Colleges and Universities.

49. Paul and Daisy Soros Fellowship for New Americans

- <http://www.pdsoros.org/overview/>

- Description: Soros fellowship recipients must demonstrate an original idea or talent; they must have accomplished something requiring a sustained effort; and they must have participated in government or another forum dedicated to freedoms prescribed in the U.S. Bill of Rights.

50. Policy Internship with the American Academy of Nursing

- <http://www.nursingscience.org/i4a/pages/index.cfm?pageid=3333>

- Description: The vacant internship position at the Academy will assist with routine membership activities, general administrative support (filing, data entry, etc) to the Academy's staff, policy research and briefings on Capitol Hill as well as conference and advancement planning.

51. Red Cross Internships

-
<http://www.redcross.org/portal/site/en/menuitem.53fabf6cc033f17a2b1ecbf43181aa0/?vgnextoid=07f4ad0d1d7ae110VgnVCM10000089f0870aRCRD&vgnextchannel=f202ad0d1d7ae110VgnVCM10000089f0870aRCRD>

- Description: The American Red Cross touches millions of lives each year. American Red Cross employees and volunteers help keep the public prepared to respond to disasters and personal emergencies. The Red Cross provides training in lifesaving skills such as CPR and first aid, collects and distributes half the nation's blood supply, and helps victims of more than 67,000 disasters annually. If you are looking for a fast paced, challenging position in a nonprofit setting.....just consider the opportunities!

52. Robert Toigo Foundation Fellowship

- <http://www.scholarships.com/financial-aid/college-scholarships/scholarships-by-type/minority-scholarships/american-indian-native-american-scholarships/robert-toigo-foundation-fellowship/>

- Description: The Robert Toigo Foundation supports the ongoing advancement of exceptional minority business degree students and alumni within the finance industry through scholarships, mentoring, internships and job placement. Sourcing talent from the nation's leading academic and financial institutions, the foundation's goal is to increase diversity in business and deepen business leadership skills by promoting ethics, integrity, and community service through the careers of talented minorities. The foundation achieves these goals by providing the mentoring, networking and leadership skill development necessary for minority students to pursue careers within finance and the financial services industry.

53. State Department Internships

- <http://careers.state.gov/students/>

- Description: Experience the thrill and rewards of student programs at the U.S. Department of State. Whether you're a high school student looking for summer employment, or a college or graduate student seeking a substantive internship supporting U.S. foreign policy, there's no limit as to how far our opportunities can take you. At the U.S. Department of State, you'll have a once-in-a-lifetime opportunity to gain insight into U.S. foreign policy and diplomacy, explore new career avenues and most of all, acquire lifelong skills as you represent America to the world. Are you up for the challenge?

54. Student Diversity Internship Program

- <http://www.loc.gov/crsinfo/opportunities/op-internships-diversity.html>

- Description: CRS partners with a network of historically black colleges and universities along with five (5) other organizations to offer paid internship opportunities to outstanding undergraduate, graduate and post-graduate students each year.

55. Student Opportunities at the Central Intelligence Agency

- <https://www.cia.gov/careers/student-opportunities/index.html>

- Description: This is an opportunity to learn from highly skilled professionals who support US officials that make our country's foreign policy. You'll assist with substantive and meaningful work assignments, while earning a competitive income and gaining invaluable practical experience. There's no better place to learn than at the center of intelligence.

56. Student Programs at the Department of Health and Human Services

- <http://www.hhs.gov/careers/student/index.html>

- Description: The U.S. Department of Health and Human Services (HHS) is the government's principal agency for protecting the health and well-being of all Americans. This is a tremendous responsibility and requires HHS to employ individuals who are willing and able to respond to the call.

57. Student Internships at the National Renewable Energy Laboratory

- http://www.nrel.gov/rpp/student_internships.html

- Description: Graduate and undergraduate students have the opportunity to participate in the laboratory's research and development programs, initiate new areas of research, and establish a base for ongoing collaborations through

NREL's [Research Participant Program](#). Students with new ideas and talents can contribute to research of mutual interest in NREL's [research and deployment disciplines](#), while also contributing to the transfer of the technology resulting from that research.

58. Student Internships at the Department of Transportation

- http://careers.dot.gov/stu_intern.html

- Description: As the U.S. population changes and grows, so does DOT and its workforce. DOT's commitment to develop a diverse and talented workforce is reflected in several outstanding internship programs. In addition to gaining quality work experience, students may have the opportunity to meet with senior-level DOT officials, including the Secretary of Transportation, and participate in activities that will enhance their knowledge about the transportation industry and public service.

59. Task Force Intern with Planned Parenthood

- <http://www.plannedparenthood.org/nyc/volunteer-intern-15239.htm>

- Description: Thank you for your interest in volunteering or interning for Planned Parenthood of New York City. By assisting in our Bronx, Brooklyn, and Manhattan health centers and our executive office in Manhattan, volunteers and interns make it possible for us to fulfill our threefold mission of clinical services, education, and advocacy.

60. Telecommunications Internship with National Telecommunications and Information Administration

- http://www.ntia.doc.gov/opadhome/opad_intern.html

- Description: With a multi-disciplinary staff, OPAD is the domestic policy division of NTIA. OPAD regularly seeks multiple unpaid student volunteers for the spring (March – May), summer (May – August), and fall (Sept. – Dec.) sessions to assist our professional staff on a number of important initiatives. Student volunteers are welcome for either a semester or a longer duration. Depending upon the student's interests, skills and experience, she/he will have the opportunity to write as well as conduct research on cutting-edge policy issues. In addition, interns typically attend staff and policy meetings, accompany OPAD staff to external conferences, meetings and events, and meet key officials and staff within the Department of Commerce and other entities.

61. US Department of Agriculture Internships

- http://www.usda.gov/wps/portal/usda/usdahome?navid=INTERN_SCHOLAR&parentnav=CAREERS

- Description: Student Internship Programs provide paid and unpaid work experience to students who are in High School or pursuing an undergraduate or graduate degree in an accredited college or university (including Community College). Internships can be seasonal (Summer, Fall, Spring) or year round.

62. US Army Jag Corps Internship

- <http://www.goarmy.com/jag/summer-intern-program.html>

- Description: Each summer, the Army JAG Corps hires law students to work as legal interns in hundreds of offices across the United States and around the world in places like Germany, South Korea, Japan, Alaska, and Hawaii. For 60 calendar days, these summer interns work as temporary civil service employees performing a variety of legal assignments. Interns do not incur any military service obligation by participating in the JAG Corps Summer Intern Program.

63. US Coast Guard MWR Internship

- <http://www.uscg.mil/mwr/intern/MWRInternships.asp>

- Description: Coast Guard MWR provides a variety of recreational, sports, and leisure programs and services for all eligible patrons. The MWR Intern Program offers students earning college credit toward a degree in a MWR-related field the opportunity to gain hands-on experience, while assisting with our mission to uplift the spirits of the Coast Guard Family.

64. USAID Internships

- <http://www.usaid.gov/careers/studentprograms.html>

- Description: The agency will be sponsoring paid internships throughout the academic year. We seek highly motivated undergraduate and graduate students studying a wide variety of fields, including engineering, computer science, mathematics, economics, foreign languages, area studies, business administration, accounting, international relations, finance, logistics, human resources, geography, public health, national security studies, military and foreign affairs, political science and public administration. Selected interns will be placed in various bureaus within the agency.

65. US Department of Justice Internships

- <http://www.justice.gov/06employment/06-3.html>

- Description: The Department's management offices, litigating divisions and offices, legal and policy offices, and investigatory and law enforcement offices offer internship opportunities to undergraduates, graduates, and law students. See the links below for detailed information about these programs.

66. Villers Fellowship for Health Care Justice

- <http://www.familiesusa.org/fellowships/the-villers-fellowship.html>

- Description: During their year-long tenure, Villers Fellows will work on a variety of health care justice issues and develop an understanding of the federal legislation process. They will also be exposed to different advocacy strategies, including producing analytic reports, disseminating effective messages through the media, successful coalition building, and e-advocacy techniques.

67. Washington Center Internships

- <http://www.twc.edu/>

- Description: The Washington Center for Internships and Academic Seminars is an independent, nonprofit organization serving hundreds of colleges and universities in the United States and other countries by providing selected students challenging opportunities to work and learn in Washington, D.C., for academic credit. The largest program of its kind, The Washington Center has 70 full-time staff and over 40,000 alumni, many of whom are in leadership positions in the public, private, and nonprofit sectors.

68. Wellstone Fellowship for Social Justice

- <http://www.familiesusa.org/fellowships/wellstone-fellowship.html>

- Description: The Wellstone Fellowship for Social Justice is designed to foster the advancement of social justice through participation in health care advocacy work that focuses on the unique challenges facing many communities of color.

69. White House Fellowship

- <http://www.whitehouse.gov/about/fellows>

- Description: Selected individuals typically spend a year working as a full-time, paid Fellow to senior White House Staff, Cabinet Secretaries and other top-ranking government officials. Fellows also participate in an education program consisting of roundtable discussions with renowned leaders from the private and public sectors, and trips to study U.S. policy in action both domestically and internationally. Fellowships are awarded on a strictly non-partisan basis.

70. Y.E.S. To Jobs Internship

- <http://www.multiculturaladvantage.com/opportunity/internships/detail/rolling-2006/YES-TO-JOBS-Program.asp>

- Description: Interns handle mostly entry-level work, often in departments such as promotions, sales, merchandising, publicity, accounting and marketing. Companies that have sponsored interns in the past include BMG Entertainment, Disney, MGM Studios, New Line Cinema, Warner Bros., Fox Sports, Sony Music Entertainment, CNN and DreamWorks.

71. Young People for Fellowship

- <http://www.youngpeoplefor.org/programs/fellowship>

- Description: The Young People For fellowship is a leadership development program focusing on identifying, engaging and empowering young progressive leaders. The one-year fellowship equips college students with the skills and resources necessary to create lasting change on their campuses and in their communities.
